

Project Meeting Notes 21-22

Project Meeting Notes (5% of your module mark) must be submitted using MS Forms only. In order to get a 5% mark for your meetings, you must submit 10 approved meeting notes. The weighting is proportional. The submission deadline is 6/5/22 at 12:00 (noon).

You must seek your supervisor's approval before submitting this, the easiest way is use the student's cartridge and ask them to sign your meeting notes in the cartridge.

Remember to tick "Send me an email receipt of my responses" at the end of this page to receive a confirmation email. Please note that you need to forward the "confirmation email" to your supervisor in order to validate this submission.

5. Summary of Progress for Period (max 100 words): *

Started on thinking about the final deliverable report, planning out what to write and what structure style for the main body I should choose. I originally planned by Activity Type which would include the analysis of requirements, design considerations and implementation. But, Jethro suggested that Product Component would be a better structure for my report as I could

6. Problem Areas and Suggested Solutions (max 100 words): *

Due to getting ill, little progress had been made in creating the control mapping program, I had not been able to spend the time I wanted on the project, therefore it was decided that I would ask for an extension to therefore have more time to complete the project.
